primeserv.co.za

we get your business – we've got you

At Primeserv we support goals you set and understand the pressure and constraints you face

Our **integrated business support services** are customised for you to ensure we support you in the most efficient way possible

Our staffing and recruitment services, functional outsourcing and productivity services, and training and consulting services are customised and integrated according to our proprietary model to deliver measurable impact on productivity and performance.

the Primeserv difference – grounded in people, productivity and performance

Always has been. Always will be.

Listed on the JSE for over 28 years, we celebrate our long term working partnerships with our clients, suppliers, stakeholders and loyal and committed staff, which enable us to continue to make a difference every day.

the Primeserv purpose – providing support services to meet the needs of our clients, develop our people for success, and uplift our communities

Primeserv is strongly committed to the development and successful advancement of people, as we believe this to be key to the development of our economy and our society. Primeserv focuses on skills and capacity development to enhance individual employability and potential career advancement.

Primeserv's offering is driven by an overarching philosophy of continuous improvement, responsible leadership, a culture of inclusiveness, and a passion for excellence in client service.

our INTHRGRATE™ approach

We provide **integrated business support services** that work together to deliver optimal support to our clients.

The INTHRGRATE™ approach encompasses understanding the client's business strategy and structure, considering the human capital strategy, and selecting the required support services and solutions that will enable our clients to achieve their business objectives.

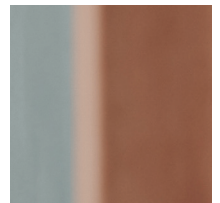

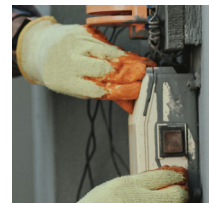

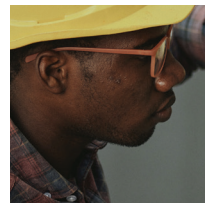

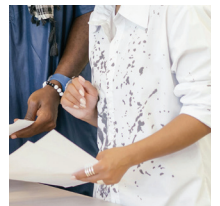

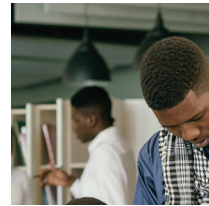

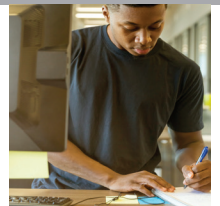

Our proprietary, systems driven, client management process ensures that the Primeserv INTHRGRATE™ model underpins our service offering to our clients, irrespective of whether they require a comprehensive service or modular service component. This service is delivered at no extra cost to our clients.
